Dear Principal Knowles,

I hope this message finds you well. My name is J Michael F. Morris, and I am the parent of Ky'vek Reynolds, a 7th grader at Wells Middle School. I am reaching out with urgency regarding recent incidents of violence at the school and the ongoing lack of communication about the investigation into these matters.

Given the seriousness of these incidents and the impact on my son's well-being, I have been compelled to keep him home until we have clarity on the investigation, an explanation of the events, and assurances of his safety at school. I understand that you may be dealing with many priorities, but this matter is of utmost importance to us.

In light of these concerns, I would like to propose a partnership between Wells Middle School and ARKTIK Global to enhance the safety and security of the campus. Here are the key aspects of the proposal:

1. Immediate Actions:

- **Enhanced Monitoring:** Implement ARKTIK Blockparty's technology for real-time surveillance and monitoring, especially in areas with low visibility.
- **Support Services:** Provide access to counseling and support services for students affected by recent incidents.

2. Long-Term Safety Measures:

- **Integration of ARKTIK Blockparty:** Utilize our advanced security solutions to create a safer school environment.
- **STEM and Mentorship Programs:** Offer additional resources such as STEM workshops and mentorship programs to engage and support students.

I would be grateful for the opportunity to discuss this proposal with you and explore how we can work together to ensure the safety and well-being of all students at Wells Middle School. Please let me know a convenient time for a meeting, or if you require any additional information.

Thank you for your attention to this urgent matter. I look forward to your response.

Warm regards,

J Michael F. Morris

Out of respect I am sending you a copy the Press Release that I am holding on sending to media contacts. I would like for you to reach to me, instead of your Assistant who is named in the release as the last recorded conversation that he and I had were quite unproductive.

Thank you,

J Michael F. Morris
